

2016/17 ROCKY MOUNTAIN FREESTYLE

Welcome to the 2016/17 Rocky Mountain Freestyle/Freeski Competition Season

Dear Athlete, Parent, Coach and Supporter:

We are fortunate to have a very robust, dedicated competition program located in the heart of ski country. Thank you to the many people both in front of the sport and behind the scenes that make it possible to host, organize and hold these competitions that sees over 3,500 kids enter the start gates. What an amazing opportunity to enjoy a sport that challenges and encourages our local athletes to reach for their potential on the slopes of these majestic Rocky Mountains; in places they call home.

Whether you are one of those athletes, their parent or guardian, a coach, a program director, a host mountain or an avid supporter of the sport of skiing, Rocky Mountain Freestyle/Freeski is fun, energetic, athletic and rewarding. Come see why over half of the US Ski Team got their start here in the Rockies. Join us in the pursuit of dreams.

2016/17 ROCKY MOUNTAIN FREESTYLE

Who We Are

Rocky Mountain Freestyle (RMF) is a non-profit division of the United States Ski and Snowboard Association (USSA), as sanctioned by the United States Olympic Committee. Rocky Mountain Freestyle produces over thirty USSA-sanctioned freestyle/freeski events each season – including moguls, dual moguls, aerials, slopestyle and half pipe events. Events are hosted at major resorts across the Rocky Mountains. Rocky Mountain Freestyle has been the home to many US Freestyle/Freeski Ski Team and Olympic athletes.

DEVO

The DEVO program is for entry-level freestyle/freeski skiers aged 12 and under. This program was created to give young athletes an opportunity for a realistic competition experience in an age-appropriate scenario.

RQS

The RQS program is for the developing freestyle/freeski skiers aged 11 and older. RQS allows athletes to continue developing their skills from the DEVO Series in preparation for the RMF COMP Series.

COMP

The COMP Series program is for the highly competitive athletes. This series offers full USSA sanctioned competitions in moguls, dual moguls, aerials, slopestyle and halfpipe.
