No On-Site Registration – registration must be completed online via SkiReg. Athletes and coaches must submit venue-specific, online signed release forms prior to this event.

Lodging

There are no specific accommodations reserved for this event. The most convenient option for many visiting families will be to stay at Purgatory Resort itself (30 minutes north of Durango). More information can be found via [Purgatory's website](#); rentals are also available through AirBnB and VRBO. For more economical accommodations we suggest staying in Durango itself – [La Quinta is a DWSC sponsor and has competitive rates.](#)

Lift Tickets

We are still working with Purgatory to iron out the details for Athlete and Spectator tickets. We anticipate that tickets will be available for roughly \$45. To receive a discounted ticket, parents will need to pick up a voucher at team check-in and then bring it with them to the Purgatory ticket Office to purchase their ticket(s).

Parking

All of the parking at Purgatory resort is free, and no reservations are required. Please just arrive with enough time to walk to the base, and follow the parking lot attendants' instructions.

Course

The course is located on the skier's left side of the El Diablo trail.

Lift Access

The course can be accessed from the top of Lift 1, Purgatory's primary lift up from the base area. From the course, you have the option to ski to Lift 2 (a smaller lift) and lap the course, or continue all the way to the base and ride Lift 1 again. Riding Lift 2 is more efficient and is the preferred route.
