Youth Mogul Head Coach

Location: Ski & Snowboard Club Vail – Vail, Colorado
Position Type: Full-Time, Year-Round
Reports To: SSCV Mogul Program Director
Start Date: Summer 2025 (or ASAP)

Position Summary:

Ski & Snowboard Club Vail (SSCV) is seeking a driven and experienced **Youth Mogul Program Director** to lead and grow our moguls development program for athletes ages 6–14. This is a key leadership role within SSCV's renowned Freestyle Moguls program, focused on cultivating technical foundations, fostering a love for skiing, and building a clear athlete pathway from grassroots to elite levels.

The ideal candidate is a strong mentor and educator who brings high energy to training, strategic thinking to program development, and a collaborative spirit to SSCV's team-first culture. Our goal is to grow the RQS and DEVO program aggressively in the 25/26 season and beyond. The Youth Mogul Program Director will be given the authority and backing necessary by the club to achieve these goals.

About SSCV:

Ski & Snowboard Club Vail is a nonprofit organization committed to inspiring character, courage, and commitment through competitive snowsports. SSCV's freestyle program is nationally respected for producing top mogul skiers, including U.S. Ski Team members, Nor-Am champions, and junior national competitors. The youth program serves as the foundation of that legacy.

Key Responsibilities:

Athlete Development & Coaching

- Design and lead year-round training for youth moguls athletes ages 6–14, emphasizing fundamentals, fun, and progression.

- Provide on-snow instruction, dryland training, and video analysis sessions.

- Support athletes in setting and achieving technical, tactical, and personal goals.

- Ensure a safe, inclusive, and encouraging training environment in alignment with SSCV's values.

Program Growth & Pathway Building

- Strategically grow enrollment in the youth moguls program through school visits, community outreach, and "Try Moguls" events.

- Develop clear athlete progression pathways into SSCV's full-time and competitive mogul programs.

- Collaborate with SSCV marketing to promote the youth moguls experience and success stories.

Leadership & Supervision

- Hire, mentor, and manage seasonal and assistant coaches.

- Maintain detailed training logs, attendance records, and athlete evaluations.

- Represent the youth moguls program in divisional planning and SSCV meetings.

Administrative Responsibilities

- Organize registration, travel logistics, competition schedules, and team communication.

- Work with SSCV leadership on program budgeting and long-term planning.

- Collaborate with SSCV athletic development, sport psychology, and academic support teams as needed.

Parent & Community Engagement

- Communicate proactively with parents regarding athlete progress, program structure, and events.

- Host regular parent meetings and provide guidance on competition readiness, equipment, and season planning.

- Uphold SSCV's culture of character and excellence both on and off the hill.

Qualifications:

- Former competitive mogul skier or extensive experience coaching mogul skiing.

- US Ski & Snowboard Level 100 certification required (Level 200+ preferred).

- Demonstrated success working with youth athletes in a team or academy setting.

- Strong leadership, communication, and organizational skills.

- Familiarity with video review tools (e.g., Dartfish, Coach's Eye) and Google Workspace.

- Passion for sport, mentorship, and long-term athlete development.

Compensation & Benefits:

- Competitive salary ($40k-$60k yearly) based on experience.

- Professional development and certification support.

- Travel support for competitions.

- Housing assistance may be available.

- Opportunity for growth within one of the nation's premier ski clubs.
